the **NEWSCOMER**

CITRUS NEWCOMERS CLUB

◀ **The President's Message** ▶

Dear Members,

My term is ending and this will be the last letter from me as President of Citrus Newcomers Club. I am leaving this position with new friends that I will continue to enjoy and treasure. It's been a pleasure serving as your President and I will truly miss the excitement. I step down with very fond memories.

Bonnie Groves will be an excellent President and will continue to build a very strong and exciting club that you can be proud of. The Board consists of very talented individuals that share one common goal and that is to ensure our Club is the best it can be....

I found this poem yesterday and felt it very appropriate considering what we have experienced for the last year so thought I would share:

TO MY TREASURED FRIENDS

Though there is gold up in the mountains,
Lovely pearls in the sea,
Those treasures do not mean as much
As your friendship means to me.
While diamonds may be beautiful
And worth a lot of money,
They cannot give a warm embrace or
Share jokes we think are funny.
I know it's true some people
Will collect much priceless art,
Yet I have never seen a picture
That showed me a loving heart.
So, I don't need to spend a fortune
To have what means the most to me.
Knowing that I have had your friendship
Will be a treasured memory.

Thanks for your patience with us during this pandemic and I sincerely hope we can have a much better year starting in September.

God Bless,
